

# BIRTHDAY SCAVENGER HUNT

Today is your birthday,  
let's start with a bang!,  
check where your  
clothes like to  
hang.

I scream, you scream,  
we all scream for ice  
cream. Find your  
next surprise where  
you dream.

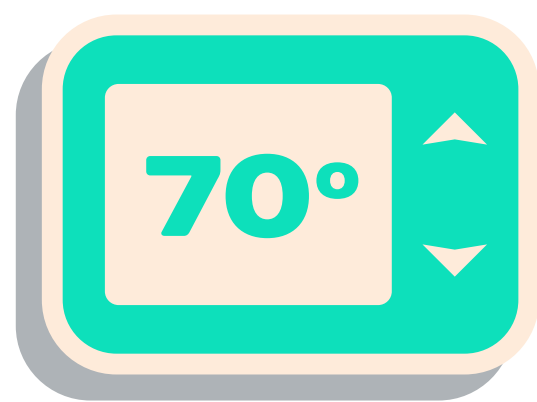

The past year has been  
a wild goose chase,  
check somewhere you  
can look at your own  
face.

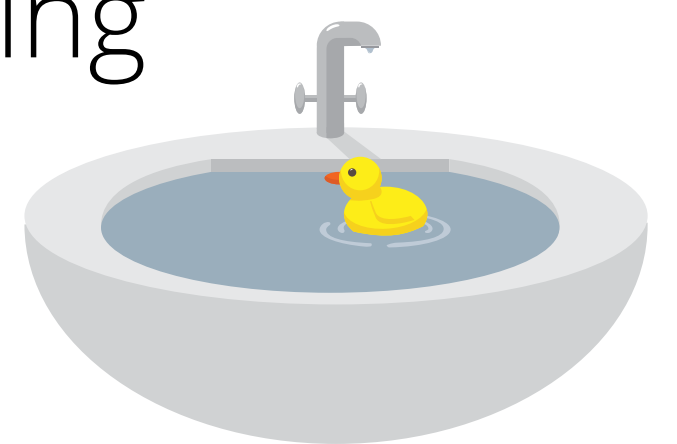

Celebrating so hard  
sometimes you get  
stinky, take a break  
and get a drinky.

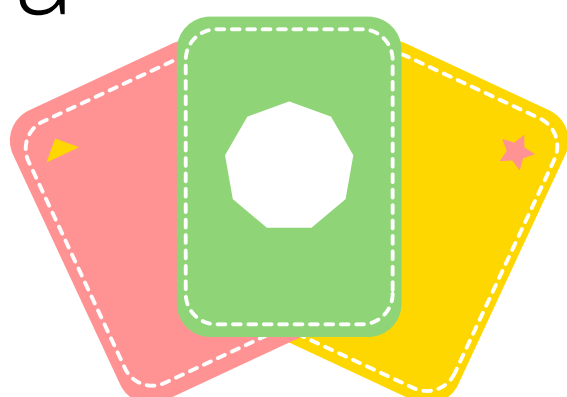

Growing up and growing  
older, find your next  
clue where the  
house gets  
colder.

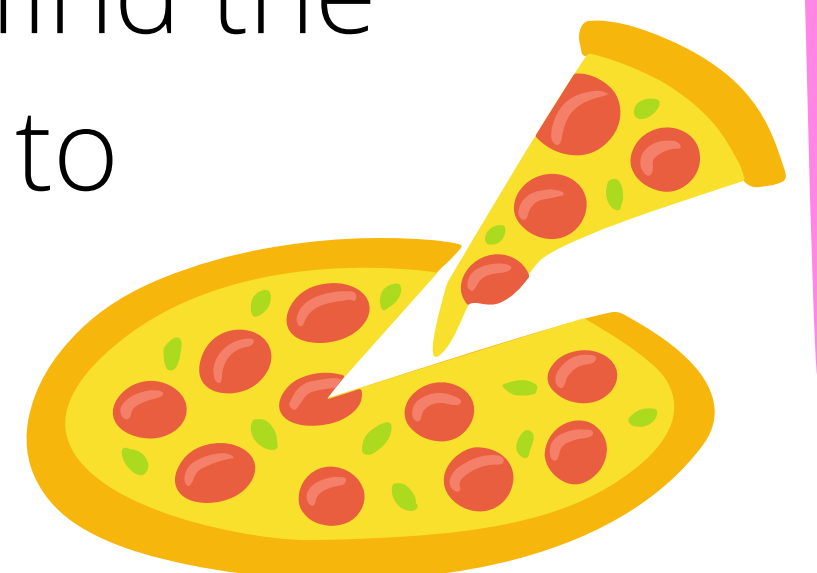

Fold your clothes all  
nice and neat, your  
next clue is resting  
underneath  
your sink.

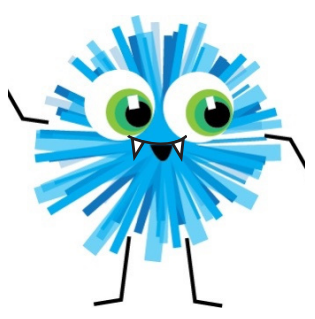

Getting older can  
sometimes be hard, find  
your next clue by a  
game with cards.

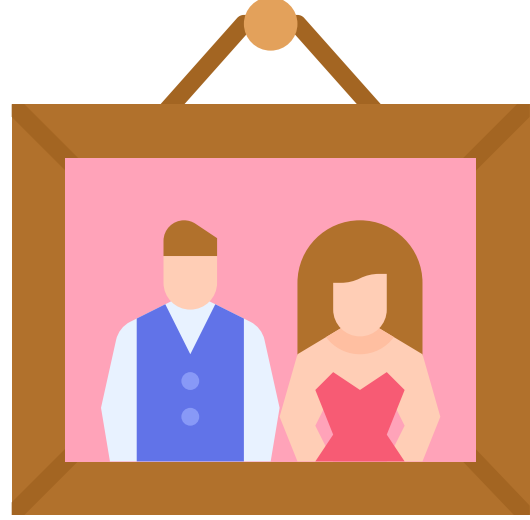

Spin in a circle and pat  
your tummy, find the  
last clue next to  
something  
yummy.

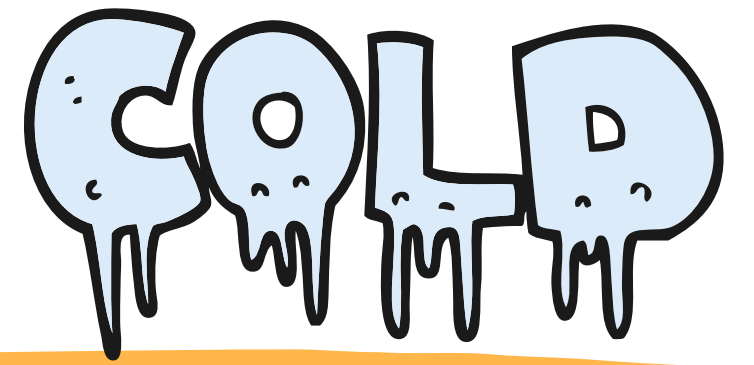

# BIRTHDAY SCAVENGER HUNT

You're getting older,  
there's no one to blame,  
take a look near a  
picture frame.

As you grow you'll get  
more bold, check for a  
clue where food stays  
cold.

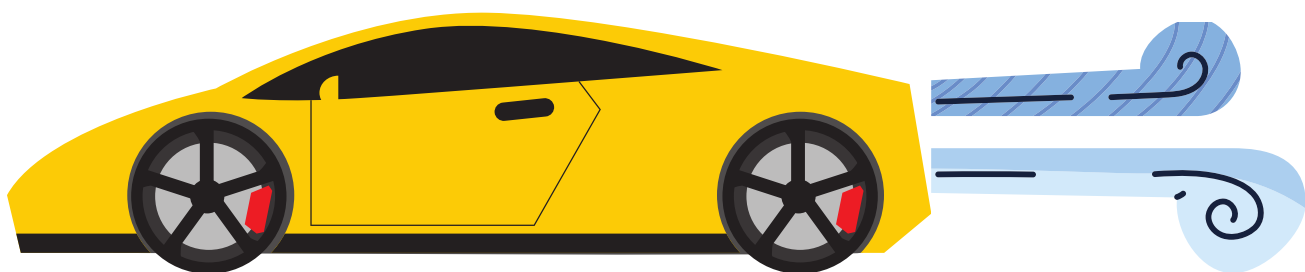

Happy happy birthday  
from all of us to you,  
find your next clue  
where you put on your  
shoe.

Wrapping presents, but  
don't you look. Instead  
check where  
you keep your  
books.

You've worked so hard  
and come so far, your  
next clue is by the car.

In the next year you'll  
make mistakes, look  
where we put things  
when  
they break.

Your birthday only  
happens once a year,  
check near the cookies  
before they  
disappear.

I love you so much, I  
want you to know.  
Now choose the right  
person, and say  
'yo!'
